

VISTA VERDE PTA

July 15, 2023

To our Friends and Partners in the Business Community,

As of 2020, Vista Verde K-8 School in Irvine has been recognized by the U.S. Department of Education as a National Blue Ribbon School, not once, but twice. This is considered the highest level of distinction for both public and private elementary, middle, and high schools. Yet, due to state funding and allocation formulas, Irvine is still one of the lowest funded districts in both the state and in the nation. It is through our family donations and businesses like yourself that we can continue supporting our outstanding teachers and students with learning resources, enriching events, and meaningful programs including: *Cultural Assemblies, Math Counts, Viking Voices, Science Olympiad, Spelling Bee, National Geographic Bee, Read Across America, and Art Education*. Sponsorships also go towards school events such as: *Ice Cream Social, Tournament of Champions, Irvine Junior Games, and Family Fun Night*.

As we prepare to start the academic year next week on July 19th, I'm attaching our 2023-24 Sponsorship Packet for your review and consideration. I look forward to hearing from you!

Sincerely,

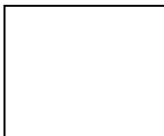

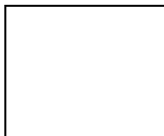

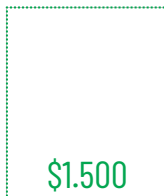

Valerie Cha
