

Email to room parents (K-5 ONLY):

Vista Verde is participating in the **Pitch-In for Prevention Drive**, formally known as Pennies for Prevention campaign, sponsored by **Irvine Unified School District (IUSD), Irvine Prevention Coalition, City of Irvine's Police Department, and other local organizations for Red Ribbon Week**. Since 1997, Orange County Schools have raised over \$500,000 to support alcohol, tobacco and other drug and violence prevention programs. Every student who turns in a contribution to their classroom jar will receive a ticket for each day they bring in a donation. At the end of Red Ribbon Week, the winning ticket will receive "Choose Kind" T-Shirt! Your donations help fund important prevention programs for our school.

**Our school is participating in Pitch-In for Prevention  
Vista Verde School Goal is to raise \$500 dollars.**

Any and all contributions are accepted, however, Vista Verde PTA would like families to be aware of the new changes in our prevention campaign: **due to local bank policies on accepting coins, paper money is preferred.**
