WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours on the Vista Verde campus for nominal fees. IPSF selects contractors who teach all types of classes ranging from athletics to academics to arts.

VICTORIOUS VIKINGS RUNNING CLUB GRADES K-2* & 3 - 8

Vista Verde's Victorious Vikings Running Club is a training and running program for the Kids Run the OC (the OC Marathon's Kid Race). The club meets once a week to train after school on Thursdays. The Victorious Vikings will both run and participate in games that will help improve speed, agility, hand/eye coordination, flexibility, and overall fitness. Students will be led through a fun training program by Mr. Tuttle and other enthusiastic VV teacher-coaches who have been trained by the OC Marathon.

By the end of the program, our goal is for each student to have accumulated the equivalent of 25.2 miles through games and activities and hopefully they will also have increased their knowledge about healthy food choices and good eating habits. They will also be ready to finish their "marathon" by participating in The OC Marathon's "Kids Run the OC" (KROC) 1-Mile Run on **Saturday, May 2, 2020** at the OC Fair & Event Center in Costa Mesa. This culminating event is a non-competitive run for kids ages 6 to 13. Enrollment in the "Kids Run the OC" race event is optional and registration is an additional fee. Registration will open in December online at www.kidsruntheoc.org.

All running club participants will receive a Victorious Vikings Running Club t-shirt. OC Marathon KROC finishers will be awarded a Kids Run the OC Marathon Medal, Timed Race Result, and an official Kids Run the OC Marathon t-shirt. Even if kids don't want to participate in the marathon, join the fun and run like the wind!
