

Vista Verde PTA

2020-2021 School Year

Welcome to the 2020 – 2021 School Year!

On behalf of the Vista Verde Parent Teacher’s Association, I would like to extend a warm welcome to all of our new and returning families. We are fortunate to have a wonderful group of engaged parent volunteers who work closely with our school to create an exceptional environment for our students.

I have been involved with our amazing PTA for the past 4 years now and have thoroughly enjoyed being a part of the Vista Verde community. It has been a great experience getting to know so many other families and to be able to work alongside a group of such passionate and dedicated parents. As we begin this new school year, the PTA remains committed to keeping everyone informed and well-connected, including all Vista Verde families who have selected the Irvine Virtual Academy model. We are here to represent and communicate the needs, concerns, and questions of our Vista Verde families, and will do our best to advocate for your children’s education and continue to build a strong sense of community amongst our families.

Membership & Annual Fund

Each year during the PTA’s Annual Membership Drive, we ask all families for a suggested donation **of \$240 per student**, which includes (1) PTA membership. (Additional memberships are \$10 each). Through your donations, the PTA is able to provide all students with extra learning and counseling resources, enrichment programs, and many wonderful online learning applications. Please note that although we are asking for \$240 per student, any amount is greatly appreciated. Thank you in advance for your generous support!

Please do not hesitate to reach out with any questions, suggestions, or concerns. You can email me at President@vistaverdepta.org. To stay updated throughout the year, please visit the Vista Verde PTA website at www.vistaverdepta.org and be sure to subscribe to our [eNews](#) for weekly updates on events and programs.

Have a wonderful school year!
