

# VISTA VERDE PTA

Welcome to the 2021 – 2022 School Year!

On behalf of the Vista Verde Parent Teacher's Association, I would like to extend a warm welcome to all of our new and returning families. We are fortunate to have a wonderful group of engaged parent volunteers who work closely with our school to create an exceptional environment for our students.

This is my second year serving on the Vista Verde PTA Board and I am looking forward to another amazing year. Before joining the PTA I had no idea how much the PTA did for our students, school, teachers, staff and families. It has been such a great way to learn about all of the programs our students have available to them as a result of the PTA efforts, including but not limited to, *Curriculum & Teacher Support* (such as ST Math, Raz Kids, & Teacher Appreciation efforts), *Class Enrichment* (such as the Spelling Bee, Earth Science Day, & Science Olympiad), *Events & Programs* (such as fifth grade Ladies Tea and Guys Stuff, & the Eighth Grade Promotion), and *Community Engagement* (including our weekly newsletter & social media pages). Joining the PTA has been a great opportunity to meet and connect with many other families and to be able to work alongside a group of such passionate and dedicated parents. As we begin this new school year, the PTA remains committed to keeping everyone informed and well-connected. We are here to represent and communicate the needs, concerns, and questions of our Vista Verde families, and will do our best to advocate for your children's education and continue to build a strong sense of community amongst our families. We cannot do it without the support of our student families and we hope you will join us this year as a member of our PTA's General Assembly. Our first General Assembly meeting will be September 21, 2021 at 6pm. Please visit our website for more information at: [www.vistaverdepta.org](http://www.vistaverdepta.org).

## **Membership & Annual Fund**

Each year during the PTA's Annual Membership Drive, we ask all families for a suggested donation **of \$240 per student**, which includes (1) PTA membership. (Additional memberships are \$10 each). Through your donations, the PTA is able to provide all students with extra learning and counseling resources, enrichment programs, and many wonderful online learning applications. Please note that although we are asking for \$240 per student, any amount is greatly appreciated. Thank you in advance for your generous support!

Please do not hesitate to reach out with any questions, suggestions, or concerns. You can email me directly at [president@vistaverdepta.org](mailto:president@vistaverdepta.org). To stay updated throughout the year, please visit the Vista Verde PTA website at [www.vistaverdepta.org](http://www.vistaverdepta.org) and be sure to subscribe to our [eNews](#) for weekly updates on events and programs.

Have a wonderful school year!,
